

Pre-Advanced Placement

Pre-advanced Placement (Pre-AP), is a rigorous curricula program that prepares middle school students for advanced placement and other challenging courses in high school.

01

PRE-AP GOALS

- Introduce skills, concepts, and assessment methods that prepare students for success in high school.
- Develop independent analytical reasoning skills and disciplined study habits for success at the college level.

02

PRE-AP BENEFITS

- Prepares middle school students to handle advanced coursework for accelerated opportunities.
- Develops important critical thinking skills.

03

PRE-AP INCLUDES

- Differentiated instruction for Math, English, Social Studies and Science.
- Introduction of concepts that can help students analyze texts similar to those studied in upper level classes.
- Critical thinking development.
- Exposure to instructional practices and routines to support academic success.

04

PRE-AP ELIGIBILITY

- Middle school students.
