

Gifted and Talented at Killeen ISD

A gifted or talented student is described as one who exhibits high levels of accomplishment as compared to other students of the same age and experience.

#1

Gifted students are selected by Killeen ISD based on performance in math, science, English language arts and reading, or social studies or a combination of areas.

#2

The selection process includes state-approved, nationally normed ability test, state-approved academic achievement test, interview & performance review.

#3

Killeen ISD offers differentiated academic instructions, pre-Advanced Placement, Advanced Placement, dual credit, & other advanced course offerings to G/T students.

#4

Students participating in G/T services are required to exhibit self-directed learning, thinking, and research and communication skills.

#5

All students availing G/T services are expected to participate in the Texas Performance Standards Project.
